PEDESTRIAN GATE KEY

The same key is used for entry and exit to the Reservoir Road and 39th Street pedestrian gates.

Our household has/would like _____ (insert quantity) pedestrian gate keys.

Note: *If you would like a key, they cost \$75 each. Cash and check (payable to "Hillandale HOA") accepted.*

VEHICULAR ENTRY AND REGISTRATION

All permanent vehicles in Hillandale MUST be registered. This allows for daily parking in common areas of the community. (No long term storage is allowed). Unregistered vehicles are subject to ticketing and/or towing at the owners expense. Each home is allowed a specific number of registrations. You will need to check with the office to find out your limit. To utilize the automated resident entry gate, your car must also be stickered with a barcode. Please bring the vehicle to our office for these stickers as our staff must personally affix these and record the data for your vehicle. These permanent registrations and gate entry barcodes are for residents only. Domestic employees, contractors and guests are not eligible. They must enter through the visitor gate and obtain a visitor pass for display on their dashboard upon each entry.
